Dear Parent or Guardian:

In accordance with Florida law, we are providing you with your child's school financial report. The figures in this report represent the revenues and the expenditures allocated to the school, both in total and per FTE (full-time equivalent) student. This data is compared to the rest of the schools in the district and the state. The purpose of this report is to inform parents of the resources that were available to the school during the 2006-2007 school year.

Certain information, such as comparative data for the school, district and state are included in the report. Exhibit A explains the layout of the report. This report is not a dollar-for-dollar match to Park Trails' 2006-07 budget figures. Exhibit B explains data used for this report.

We are making this report available to our parents via a link on our web site, www.parktrailselementary.com. In addition, a printed copy can be viewed in our school's office.

Thank you for your interest in our school.

Sincerely,

Francine T. Renguso
Principal
