

Please support our team in the Dan Marino WalkAbout Autism. We will be walking on January 28, 2012 to raise money for programs and research in the South Florida area. 25% of the money our team raises returns to our school to help our ESE programs. This link will bring you directly to the Dan Marino website where you can make a donation to our team by clicking [Make a gift!](#) Or join our team, by clicking [Join Team](#). Thank you for your support.
